Sea Trial Program

The Sea Trial Participant program was established to give a prospective member a chance to enjoy the club and its many activities before applying for Flag or Regular Membership. Sea Trial Participants are encouraged to use the club and participate in activities as often as possible. It's the best way to meet other Members and see if the club is a good fit. Sea Trial Participants will be assigned temporary sponsors from the Membership Committee to help them get involved and connect them with Members that have the same interests.
